## **PUBLIC NOTICE**

### **INVITATION TO COMMENT ON DRAFT 2026/27 ELECTRICITY TARIFF**

#### **Notice Number 24/2026**

Dr. Beyers Naudé Local Municipality would like to invite all residents to participate in our tariff modelling process for the proposed electricity tariffs in the 2026/27 financial year.

This tariff increase proposal is not final. The proposed tariff increase was tabled to council for draft acceptance subject to public consultation. The public comments will be considered and presented to council for consideration in the draft budget tabling in March 2026.

An application must be done by the municipality to the National Energy Regulator (NERSA) for approval of these tariffs that has considered the public inputs for implementation on 01<sup>st</sup> July 2026.

The tariff increments were designed after the completion of the Cost of Supply (COS) studies. Please scrutinize the COS calculation methodology and provide comments where necessary.

Customers can email [mayag@bnlm.gov.za](mailto:mayag@bnlm.gov.za) to request the Cost of supply calculation/tariff modelling spreadsheet. Alternatively, the relevant calculations/tariff modelling spreadsheet can be viewed on the official Dr BNLM website at <https://bnlm.gov.za/documents/notices>.

Please send any constructive comments and/or recommended changes to [mayag@bnlm.gov.za](mailto:mayag@bnlm.gov.za) by 24 March 2026.
