Recovery of Arrear Municipal Debt

All **pre-payment users** are accordingly advised that we are recovering 40% of all arrear municipal accounts from pre-payment sales.

Therefore if you purchase electricity for R100 you will be issued with electricity for R60 and the R40 will be credited to your arrear accounts.

The system was tested on the 12th November 2018 and it is accordingly implemented.

All residents in the Dr Beyers Naude Local Municipality are encouraged to visit the Revenue Departments in all towns to make the necessary arrangement to repay all arrears.

Municipal Manager

Herstel van agterstallige munisipale skuld

Alle **koopkrag gebruikers** word in kennis gestel dat ons 40% van alle agterstallige munisipale rekeninge van koopkrag gebruikers verkope gaan herstel.

Daarom, as u elektrisiteit vir R100 koop, sal u R60 elektrisiteit uitgereik word en die R40 sal op u agterstallige rekeninge gekrediteer word.

Die stelsel is op 12 November 2018 getoets en dit word gevolglik geïmplementeer.

Alle inwoners van die Dr Beyers Naude Plaaslike Munisipaliteit word aangemoedig om die Inkomstedepartemente in alle dorpe te besoek om die nodige reëlings te tref om alle agterstallige bedrae terug te betaal.
