3. STATUTORY FRAMEWORK AND RESPONSIBILITIES

3.1 In terms of section 215 of the Constitution municipal budgets and budgetary processes must promote transparency, accountability and the effective financial management of the economy, debt and the public sector. National legislation must prescribe the form of municipal budgets and that budgets in each sphere of government must show the

sources of revenue and the way in which proposed expenditure will comply with national legislation. Budgets in each sphere of government must contain estimates of revenue and expenditure, differentiating between capital and current expenditure, proposals for financing any anticipated deficit for the period to which they apply and an indication of intentions regarding borrowing and other forms of public liability that will increase public debt during the ensuing year.

3.2 Section 16(1) of the Local Government: Municipal Finance Management Act 2003 (Act No 56 of 2003)(MFMA) demands that the Council must, before the start of each financial year, approve an annual budget for the municipality for that financial year. In order for the Council to approve an annual budget before the start of a financial year the Mayor must table the annual budget at a Council meeting at least 90 days before the start of the budget year.

3.3 The annual budget must generally be divided into a capital and an operating budget in accordance with international best practice. The budget must be in the prescribed format –

3.3.1 setting out realistically anticipated revenue for the budget year from each revenue source;

3.3.2 appropriating expenditure for the budget year under the different votes;

3.3.3 setting out indicative revenue per revenue source and projected expenditure by vote for the two financial years following the budget year;

3.3.4 setting out estimated revenue and expenditure by vote for the current year and actual revenue and expenditure by vote for the financial year preceding the current year.

3.4 When an annual budget is tabled at a Council meeting, it must be accompanied by the following documents:

- 3.4.1 draft resolutions approving the budget, imposing property rates and setting tariffs for the budget year and approving any other matter that may be prescribed;
- 3.4.2 measurable performance objectives for revenue from each source and for each vote in the budget, taking into account the Municipality's Integrated Development Plan (IDP);
- 3.4.3 a projection of cash flow for the budget year by revenue source, broken down per month;
- 3.4.4 any proposed amendments to the IDP following its annual review;
- 3.4.5 any proposed amendments to the budget-related policies of the municipality;
- 3.4.6 particulars of the municipality's investments;
- 3.4.7 any prescribed budget information on municipal entities under the sole or shared control of the Municipality;
- 3.4.8 particulars of all proposed new municipal entities which the Municipality intends to establish or in which the municipality intends to participate;
- 3.4.9 particulars of any proposed service delivery agreements, including material amendments to existing service delivery agreements;
- 3.4.10 particulars of any proposed allocations or grants by the Municipality to other municipalities, any municipal entities and other external mechanisms assisting the Municipality in the exercise of its functions or powers, any other organs of state and any organisations or bodies outside any sphere of government otherwise than in compliance with a commercial or other business transaction;
- 3.4.11 the proposed cost to the Municipality for the budget year of the salary, allowances and benefits of each political office-bearer, Councillors and the Municipal Manager, the Chief Financial Officer, each senior manager of the Municipality and any other official having a remuneration package greater than or equal to that of a senior manager;

3.4.12 the proposed cost for the budget year to a municipal entity under the sole or shared control of the Municipality of the salary, allowances and benefits of each member of the entity's board of directors and the chief executive officer and each senior manager of the entity; and

3.4.13 any other supporting documentation as may be prescribed.

3.5 In terms of section 18 of the MFMA an annual budget may only be funded from realistically anticipated revenues to be collected, cash-backed accumulated funds from previous years' not committed for other purposes and borrowed funds, but only for the capital budget. Revenue projections in the budget must be realistic, taking into account projected revenue for the current year based on collection levels to date and actual revenue collected in previous financial years.

3.6 The Mayor must-

3.6.1 co-ordinate the processes for preparing the annual budget and for reviewing the IDP and budget-related policies to ensure that the tabled budget and any revisions of the IDP and budget-related policies are mutually consistent and credible;

3.6.2 at least 10 months before the start of the budget year, table at a Council meeting a time schedule outlining key deadlines for-

3.6.2.1 the preparation, tabling and approval of the annual budget;

3.6.2.2 the annual review of the IDP and the budget-related policies;

3.6.2.3 the tabling and adoption of any amendments to the IDP and the budget-related policies; and

3.6.2.4 any consultative processes forming part of the processes.

3.7 When preparing the annual budget, the Mayor must-

- 3.7.1 take into account the IDP;
 - 3.7.2 take all reasonable steps to ensure that the Municipality revises the IDP, taking into account realistic revenue and expenditure projections for future years;
 - 3.7.3 take into account the national budget, the provincial budget, the national government's fiscal and macro-economic policy, the annual Division of Revenue Act and any agreements reached in the Budget Forum;
 - 3.7.4 consult the District Municipality and the other local municipalities within the area of the District Municipality, the Provincial Treasury and when requested, the National Treasury and any national or provincial organs of state, as may be prescribed; and
 - 3.7.5 provide, on request, any information relating to the budget to the National Treasury and to the national departments responsible for water, sanitation, electricity and any other service as may be prescribed, any other national and provincial organ of states, as may be prescribed and any other municipality that may be affected by the budget.
- 3.8 Section 22 of the MFMA requires that, immediately after an annual budget is tabled at a Council meeting, the Municipal Manager must-
- 3.8.1 in accordance with Chapter 4 of the Municipal Systems Act make public the annual budget and the supporting documents tabled with the budget and invite the local community to submit representations in connection with the budget; and
 - 3.8.2 submit the annual budget to the National Treasury, the Provincial Treasury, to any prescribed national or provincial organs of state and to other municipalities affected by the budget.
- 3.9 When the annual budget has been tabled, the Council must consider the views, comment and representations, if any, of the local community, the National and Provincial Treasuries and other organs of state, including municipalities, which made

submissions on the budget. After considering all the submissions, the Council must give the Mayor the opportunity to respond thereto and, if necessary, to revise the budget and table amendments for consideration by the Council.

3.10 In terms of section 24 of the MFMA the Council must at least 30 days before the start of the budget year consider approval of the annual budget, which must be approved before the start of the financial year. An annual budget must be approved together with the adoption of resolutions as may be necessary-

3.10.1 imposing property rates for the budget year;

3.10.2 setting any municipal tariffs for the budget year;

3.10.3 approving measurable performance objectives for revenue from each source and for each vote in the budget;

3.10.4 approving any changes to the IDP; and

3.10.5 approving any changes to the Municipality's budget-related policies.

3.11 The Municipal Manager must submit the approved budget to the National and Provincial Treasuries.

3.12 The Municipality may revise an approved annual budget through an adjustments budget in terms of Section 28. An adjustments budget-

3.12.1 must adjust the revenue and expenditure estimates downwards if there is material under-collection of revenue during the current year;

3.12.2 may appropriate additional revenues that have become available over and above those anticipated in the annual budget, but only to revise or accelerate spending programmes already budgeted for;

3.12.3 may, within a prescribed framework, authorise unforeseeable and unavoidable expenditure recommended by the Mayor;

- 3.12.4 may authorise the utilisation of projected savings in one vote towards spending under another vote;
 - 3.12.5 may authorise the spending of funds that were unspent at the end of the past financial year where the under-spending could not reasonably have been foreseen at the time to include projected roll-overs when the annual budget for the current year was approved by the Council;
 - 3.12.6 may correct any errors in the annual budget; and
 - 3.12.7 may provide for any other expenditure within a prescribed framework.
- 3.13 When the Mayor tables an adjustments budget, it must be accompanied by-
- 3.13.1 an explanation how the adjustments budget affects the annual budget;
 - 3.13.2 a motivation of any material changes to the annual budget;
 - 3.13.3 an explanation of the impact of any increased spending on the annual budget and the annual budgets for the next two financial years; and
 - 3.13.4 any other supporting documentation that may be prescribed.
- 3.14 Property rates and tariffs may not be increased during a financial year except when required in terms of a financial recovery plan.
- 3.15 The appropriation of funds in an annual or adjustments budget lapses to the extent that it is unspent at the end of the financial year to which the budget relates, except in the case of an appropriation of money for capital expenditure made for a period longer than that financial year.
- 3.16 The Mayor must provide general political guidance over the budget process and the priorities that must guide the preparation of a budget, co-ordinate the annual revision of the IDP and the preparation of the annual budget, determine how the IDP is to be

taken into account or revised for the purposes of the budget and take all reasonable steps to ensure that the Municipality approves its annual budget before the start of the budget year. She/he must promptly report to the Council and the MEC for finance any delay in the tabling of an annual budget. The Mayor must further ensure that the revenue and expenditure projections for each month and the service delivery targets and performance indicators for each quarter, as set out in the service delivery and budget implementation plan (SDBIP), are made public no later than 14 days after the approval of the SDBIP and that the annual performance agreements of the Municipal Manager and senior managers are made public no later than 14 days after the approval of the SDBIP.

3.17 The Municipal Manager is responsible for implementing the approved budget who must take all reasonable steps to ensure that the spending of funds is in accordance with the budget and is reduced as necessary when revenue is anticipated to be less than projected in the budget or in the SDBIP and that revenue and expenditure are properly monitored. When necessary, the Municipal Manager must prepare an adjustments budget and submit it to the Mayor for consideration and tabling at a Council meeting. The Municipal Manager must no later than 14 days after the approval of an annual budget submit to the Mayor a draft SDBIP for the budget year and drafts of the annual performance agreements for the Municipal Manager and all senior managers.

3.18 In terms of the Municipal Finance Management Act, No. 56 of 2003, Chapter 4 on Municipal Budgets, the council of a municipality must for each financial year approve an annual budget for the municipality before the commencement of that financial year. According to Section 16(2) of the MFMA the Mayor of the municipality must table the annual budget at a council meeting at least 90 days before the start of the budget year.

3.19 This policy must be read, interpreted, implemented and understood against this legislative background. The budget plays a critical role in an attempt to realise diverse community needs. Central to this, the formulation of a municipal budget must take into account the government's macro-economic and fiscal policy fundamentals.

4. OBJECTIVE OF POLICY

The objective of the budget policy is to set out a framework for this Municipality to deal with –

- (a) The preparation the of a MTREF budget;
- (b) The shifting or virement of funds and budget allocations;
- (c) The introduction of adjustment budgets;
- (d) Unforeseen and unavoidable expenditure;
- (e) Irregular expenditure;
- (f) Fruitless and wasteful expenditure;
- (g) To establish and maintain procedures to ensure adherence to the Municipality's IDP review and budget processes;
- (h) to assist the planning of the Municipality's operations for a budget year;
- (i) to coordinate the activities of the various organisational components of the Municipality;
- (j) to control the planned activities;
- (k) to provide high-level strategic objectives for both Councillors and the community; and
- (l) to shift the focus from inputs towards outputs and outcomes.

5. BUDGETING PRINCIPLES

5.1 The Municipality shall not budget for a cash deficit and should ensure that revenue projections in the budget are realistic taking into account actual collection levels.

5.2 Expenses may only be incurred in terms of the approved annual budget (or adjustments budget) and within the limits of the amounts appropriated for each vote in the approved budget.

5.3 The Municipality shall prepare three-year budget (MTREF budget) and Council shall approve the budget.

5.4 The MTREF budget must at all times be within the framework of the approved Municipal Integrated Development Plan.

5.5 Capital budget:

Except in so far as capital projects represent a contractual commitment to the Municipality extending over more than one financial year, the annual capital budget shall be prepared from a zero base:

5.5.1 Only expenditure that meets the definition of a capital budget of this policy shall be included in the capital budget.

5.5.2 The capital budget shall distinguish between replacement and new assets.

5.5.3 The envisaged sources of funding for the capital budget must be properly considered. Council must be satisfied that this funding is available and has not been committed for other purposes.

5.5.4 Before approving a capital project, Council **must** consider:

(a) the projected cost of the project over all the ensuing financial years until the project becomes operational; and

(b) future operational costs and any revenues, which may arise in respect of such project, including the likely future impact on operating budget.

5.5.5 Before approving the capital budget, the council **shall** consider:

- (a) the impact on the present and future operating budgets of the municipality in relation to finance charges to be incurred on external loans;
- (b) depreciation of fixed assets;
- (c) maintenance of fixed assets, and
- (d) any other ordinary operational expenses associated with any item on such capital budget.

5.5.6 The capital expenditure shall be funded from the following sources:

(a) Revenue or Surplus

Any financing activity from this source must be included in the cash budget to raise sufficient cash for the expenditure. In order for the commencement of expenditure on an item financed from this source the full amount of physical cash must be ring fenced or set aside from normal operating funds.

(b) New borrowings (External loans)

External loans can be raised only if it is linked to the financing of an asset. A capital item to be financed from an external loan can only be included in the budget if the loan has been secured or if can be reasonably assumed as being secured. The loan redemption period should not exceed the estimated life span of the asset. Interest payable on external loans shall be included as a cost in the operating budget. Finance charges relating to such loans shall be charged to or apportioned only between the departments or votes to which the projects relate.

(c) Capital Replacement Reserve (CRR)

Council shall establish a CRR for the purpose of financing capital projects and the acquisition of assets. Such reserve shall be established from the following sources of revenue:

- i. inappropriate cash-backed surpluses to the extent that such surpluses are not required for operational purposes;

- ii. interest on the investments of the CRR, appropriated in terms of the investments policy;
- iii. additional amounts appropriated as contributions in each annual or adjustments budget;
- iv. interest earned on investments of unutilised grants;
- v. VAT claimed back on grants and subsidies; and
- vi. Proceeds on the sale of assets.

Before any asset can be financed from the CRR the physical cash must be available within the reserve, this fund must be cash backed. If there is insufficient cash available to fund the CRR reserve then the reserve must be adjusted to equal the available cash. Transfers to the CRR must be budgeted for in the cash budget.

(d) Grant Funding

- i. Non capital expenditure funded from grants must be budgeted for as part of the revenue budget
- ii. Expenditure must be reimbursed from the funding creditor and transferred to the operating and must be budgeted for as such.
- iii. Capital expenditure must be budgeted for in the capital budget.
- iv. Grant funding does not need to be cash backed but cash should be secured before spending can take place.
- v. All unutilized grants received must be ring fenced and cash backed by means of an investment.

5.6 Operational budget:

5.6.1 The Municipality shall budget in each annual and adjustments budget for the contribution to:

- (a) provision for accrued leave entitlements equal to 100% of the accrued leave;
- (b) continued employee benefits as at 30 June of each financial year;

- (c) provision for the impairment of debtors taking into account prior year, current year improvements and future improvement in debt collection percentages;
- (d) provision for the obsolescence and deterioration of stock in accordance with its stores management policy;
- (e) Depreciation and finance charges shall be charged to or apportioned only between the departments or votes to which the projects relate;
- (f) At least 5% of the operating budget component of each annual and adjustments budget shall be set aside for maintenance.

5.6.2 When considering the draft annual budget, Council shall consider the impact, which the proposed increases in rates and service tariffs will have on the monthly municipal accounts of households.

5.6.3 The impact of such increases shall be assessed on the basis of a fair sample of randomly selected accounts.

5.6.4 The operating budget shall reflect the impact of the capital component on:

- Depreciation charges;
- Repairs and maintenance expenses;
- Interest payable on external borrowings; and
- Other operating expenses.

5.6.5 The Chief Financial Officer shall ensure that the cost of indigent relief is separately reflected in the appropriate votes as income forgone.

6 BUDGET PREPARATION PROCESS

6.1 Formulation of the budget

6.1.1 The Accounting Officer, with the assistance of the Chief Financial Officer and the IDP Official, shall prepare and draft the IDP & Budget process plan with timetables for the municipality including municipal entities for the ensuing financial year.

6.1.2 The Mayor shall table the IDP & Budget process plan to Council not later than **31 August**

of each year for approval.
