<b>IMPORTANT ~ PLEASE NOTE</b>					
NB : It is a standing requirement that the person representing a Government Department or any other bona fide large Organization serving on the IDP Representative Forum, be of the most senior level of that structure. In all instances a secundus (the 2 <sup>nd</sup> most senior) must be available to attend on behalf of the nominated person, should he/she not be able to do so. Local Community Forums are represented by the applicable Sector Departments.					
NB : Wards, Ward Committees and War Rooms are represented by their Ward Councillors, who are responsible for providing feedback to their Committees and Constituents on the outcomes of the IDP Rep Forum Meetings. All Councillors not serving on the IDP Steering Committee are members of the IDP Representative Forum. All CDWs are <i>ex officio</i> members of the Ward Committees and are represented on the IDP Representative Forum by their regional Co-ordinator.					
Contact details of some of the herein-listed representatives are unknown and have not been provided, despite several requests. Should these details be known to anyone, kindly forward to the IDP Manager ~ thank you.					
It remains the responsibility of each organization to keep the names and contact details of their representative and secundus current. Should there be any change in representation, such changes must be forwarded to the Municipality in order to update its IDP stakeholder database.
