

NOTICE 25/2026: REGISTRATION ON AND UPDATE OF SUPPLIER DATABASE

In terms of the Municipal Supply Chain Management Regulations 14(1) (ii), a municipality must annually invite prospective providers of goods or services to apply for evaluation and listing as accredited prospective providers. The National Treasury has accordingly created a registration and vetting platform for this purpose, the **Central Supplier Database (CSD)**, and all suppliers who intend doing business with the Dr. Beyers Naudé Local Municipality, must be registered on the CSD.

The benefits includes:

- The reduction of red tape and administrative effort when doing business with the Municipality.
- Compliance requirements will be easy to meet for suppliers that are in good standing with these requirements. The CSD will have interfaces to South African Revenue Service (SARS) to enable tax clearance status verification of suppliers throughout the South African Revenue Services (SARS) and the Companies and Intellectual Property Commission (CIPC) for vetting of business registration, business ownership and tax compliance.
- Current service providers must submit their updated their B-BBEE Certificates, MBD 4 and MBD 8 Documents.
- The registration platform is available on the National Treasury website at:
<https://secure.csd.gov.za/Home/HomePage>
- Enquiries may be directed to: Mr. Joey Koeberg on (049) 807 5700 and/or
